

## **RSNA Online Library CME Activity System Requirements**

RSNA's online CME activities perform most effectively on the following operating systems and browsers:

### **Desktop Operating Systems:**

#### **Microsoft Windows 7:**

- Adobe Flash Player v10+ required
- Internet Explorer 9
- Internet Explorer 10
- Internet Explorer 11
- Chrome (latest version)

#### **Windows 8.1 OS:**

- Adobe Flash Player v10+ required
- Internet Explorer 11

#### **Macintosh OSX Mavericks:**

- Adobe Flash Player v10+ required
- Safari 7

#### **Macintosh OSX Yosemite:**

- Adobe Flash Player v10+ required
- Safari 8

### **Tablet Operating Systems:**

#### **Apple iPad - iOS 7**

- Safari mobile browser

#### **Apple iPad – iOS 8**

- Safari mobile browser

While other browsers and operating systems may also successfully provide access to the content, RSNA does not guarantee their performance and cannot provide customer assistance for their use.

For assistance with using the specified operating systems and browsers above, please contact [ed-ctr@rsna.org](mailto:ed-ctr@rsna.org).
