

Lawrence Schwartz, MD

Dr. Schwartz is a Professor of Radiology at Columbia University College of Physicians and Surgeons and Chairman of the Department of Radiology. Dr. Schwartz is also Chair of the Cancer and Leukemia Group B (CALBG) Imaging Committee. Dr. Schwartz's academic interests are in the development of novel imaging biomarkers in oncology, both clinical care and drug discovery. He is an active member of the Quantitative Imaging Biomarker Alliance and the Oncology Biomarker Qualification Initiative.

His research has focused on new computational and functional techniques that utilize physiologic imaging and advanced image processing to assess and correlate imaging characteristics with molecular features of disease processes, in particular solid tumors of the chest, abdomen and pelvis.
