

## Jyoti Zalkikar, Ph.D

Dr. Jyoti Zalkikar is Statistical Team Leader in the Office of Biostatistics at the FDA's Center for Drug Evaluation and Research (CDER). Her team supports the Division of Medical Imaging Products in CDER's Office of New Drugs. Dr. Zalkikar received her Masters in Statistics from the University of Bombay, India in 1984 and Ph.D. in Mathematics (with Statistics track) from the University of California at Santa Barbara in 1988. She subsequently joined the faculty of the Department of Statistics at Florida International University in Miami, Florida, was awarded tenure and promotion to the rank of associate professor of statistics in 1993 and worked there until she joined FDA/CDER in 2001. Prior to her current position, she served as a primary statistical reviewer for the Divisions of Analgesic, Anti-inflammatory and Ophthalmic Drug Products, OTC products, and Special Pathogens and Immunologic Drug Products in CDER.
