

# RSNA Online Activity System Requirements

RSNA's online activities perform most effectively on the following operating systems and browsers:

## **Desktop Operating Systems:**

### **Microsoft Windows 7:**

- Adobe Flash Player v23+ enabled
- Internet Explorer 11
- Chrome (latest version)

### **Microsoft Windows 10:**

- Adobe Flash Player v23+ enabled
- Edge (latest version)
- Internet Explorer 11
- Chrome (latest version)
- Firefox 49+

### **Macintosh OS 10.11 (El Capitan):**

- Adobe Flash Player v23+ enabled
- Safari 9
- Chrome (latest version)

### **Macintosh OS 10.12 (Sierra):**

- Adobe Flash Player v23+ enabled
- Safari 10
- Chrome (latest version)

## **Tablet Operating Systems:**

### **Apple iPad – iOS 9 or 10:**

- Safari mobile browser

While other browsers and operating systems may also successfully provide access to the online content, RSNA does not guarantee their performance and cannot provide customer assistance for their use.

For assistance with using the specified operating systems and browsers above, please contact [edctr@rsna.org](mailto:edctr@rsna.org).
