# *Radiology* Select Tablet User Guide

Step 1. Download the *Radiology* Select app from either the iTunes App Store or Google Play.
Step 2. After launching the app, tap on **"SIGN IN"** on the upper left corner.

Step 3. *Below left:* Enter your RSNA user name and password in the popup window . If you forgot your password, tap on the "Forgot Password?" link to send an email request. *Below, right:* Tap on "Sign In" after entering your credentials.

Once you have successfully signed in, you will notice the option to "Sign Out" in the upper left corner.

There are five collections available: **Volumes 1 – 5**.

Volume 6 (and any issues released after) are not available in the app).

Volume 1 and the **Promotional Version** are free to download.

**Volume 2 will be free to download after June 2015.**

See **Step 4** (next page) for further instructions on how to download a collection.
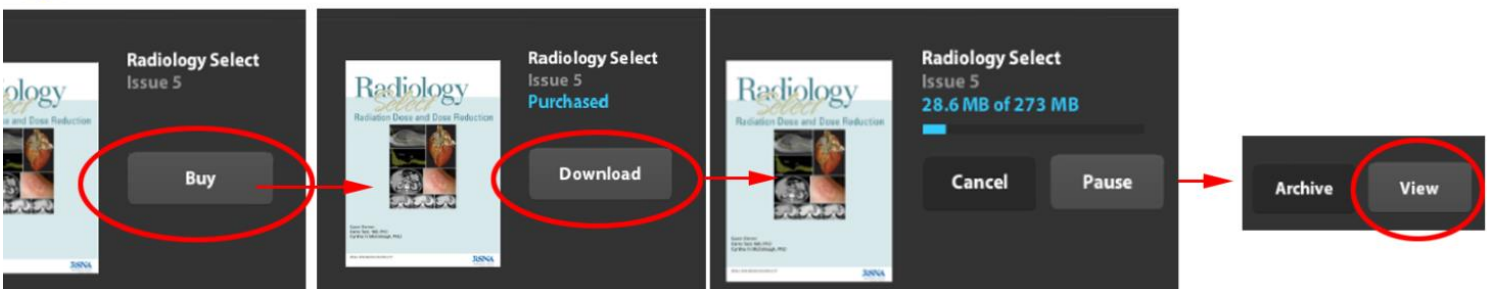

Step 4. **Purchasing a Collection**

iPad Users:

Tap on the Volume you wish to purchase. (Note: Volume 1 and the Promotional Version are free to download).

Then tap on the "$9.99" button to purchase the collection. Once you have purchased the collection, tap on "Download" to begin downloading the collection. You will see a progress bar indicating that the collection is downloading.

Once the collection has fully downloaded, tap on the cover to view the collection.

Android tablet users:

Tap on the "Buy" button for the Volume you wish to purchase. Once you have purchased the collection, tap on the "Download" button to begin downloading the collection. You will see a progress bar indicating that the collection is downloading.

Once the collection has fully downloaded, tap on "View" to view the collection.
